

AMERA ENCLOSURE CONTRIBUTING MEMBER BOARDS

Dear AMERA residents,

We would like to present you your '**PROUD CONTRIBUTING MEMBER**' board as recognition for your ongoing support of the Aston Manor Estates Residents Association (AMERA).

In an effort to continue keeping our community safe, you would have noticed that the volunteer committee has been hard at work rallying residents to become more involved and grow our contributing members.

You would have seen the notice boards at the entrance, as well as e-mailed newsletters and if you have linked to the WhatsApp group, notices of the impending increase in our security rates. This is the first rate increase that we have had to make in all the years of AMERA has been secured. It is a necessary increase to maintain the closure of our area until we can reach a 90% membership.

It has now become necessary to implement the increase from R400 to R480 per month per household.

We would like to encourage you to please stand up and be 'counted'. Make use of the cable ties provided to secure this board to the main entrance gate of your property.

Being eligible for a contributing board, one needs to be paid up for at least the last 6 months (if you have lived in the area for longer than 12 months), or have a legitimate reason for not being able to contribute to the secured area. Kindly contact your street representative or the chairman to discuss any possibilities. All the contact details are available on our website (www.amera.co.za).

Kindly take note that these boards are the **property of AMERA** and can be removed, without any further notice, if one misses 2 months of fees within a 6 month period.

We would like to update you on plans that the volunteer committee is working on. This includes the final stages of approval for us to be allowed to begin laying foundations for a brick-and-mortar guard house, with water and ablutions, development of the park, and access to the guide hall for the Amera community.

There are some exciting plans for AMERA. However to do this, we need the input and support of all the members of our community.

Thank you for your efforts and ongoing support.

Kind regards,

AMERA management
