

AMERA Management Meeting: 1 February 2021

SUMMARY POLICY FOR THE AMERA SAFETY AND SECURITY WHATSAPP GROUP

- 1.1 This group is solely for AMERA contributing members.
- 1.2 The Safety and Security Group was created to allow residents to report and respond to emergency security and safety related matters, and to allow a general awareness of security and safety incidents in the area. Similarly, timeous reports on this group may enable residents to aid in apprehending perpetrators.
- 1.3 The camera monitoring company as well as the armed response company will also post on this group where threats are noticed or responded to.
- 1.4 It is in everyone's interest to keep communications on this group pertinent and to the minimum.
- 1.5 General discussions, complaints, emojis, and any comment not directly related to safety and security, or not adding value to a reported incident are not allowed.
- 1.6 The AMERA website, other AMERA WhatsApp Groups and management members are available for the purposes of general discussions, notices, complaints and suggestions.
- 1.7 Any resident not complying with the rules of the group will be temporarily suspended from the group, together with a reminder of the policy. Repeat offenders will be removed permanently.

This summary provides the salient points related to the AMERA Safety and Security Policy. The full Policy document that also addresses the guidelines for other AMERA WhatsApp groups is available on the AMERA website.

Sincerely,

AMERA Management Committee
